

EUROPEAN BIOSOLIDS & ORGANIC RESOURCES CONFERENCE & EXHIBITION

13th -14th November 2018, The Royal Armouries, Leeds

Exhibition and Sponsorship

The [European Biosolids Conference and Exhibition](#) is Europe's foremost conference for the biosolids and biowaste industries.

Now in its third decade, the conference gives an essential annual update on: legislative changes, new technologies, research, best practice and site-experiences with existing technologies.

Why exhibit?

- **Showcase** your product/service to a targeted audience of 200-300 industry specialists
- **Save time and money** - keep in touch with current clients whilst meeting potential new customers and supplier, all under one roof
- **Meet** representatives from the UK water companies, consultancies, technical associations, universities, research establishments, process suppliers, Government departments and agencies.
- **Position your brand** as expert within the industry - exhibition space means that if your business is exhibiting, many of your competitors won't be
- All **delegate refreshments and the evening drinks reception** served in the exhibition area allowing plenty of time to network
- All exhibiting companies receive **20% discount** off delegate fee

The cost to [exhibit](#) is only £995 (+VAT) for 2 days. This includes a 3m by 2m exhibition space, 1 person to man the stand, lunch & refreshments, table & chairs if required, wifi and 20% off the delegate rates.

To discuss sponsorship opportunities or to reserve an exhibition space, please contact Frances Woodhead

Testimonials

"From my experience, this conference remains the best in its field... A consistently high technical level of papers based on latest and cutting edge technologies and ideas"

Technical Director, Cambi

"One of the best conferences I have attended, very inspiring and well balanced."

Environmental Regulation Manager, Welsh Water
