

EUROPEAN BIOSOLIDS & BIORESOURCES VIRTUAL CONFERENCE

24-25th November 2020

Job Title	Organisation
Lead Technical Manager	@one - AW
UK Business Development	ACWA Services Ltd.
Principal Soil Scientist	ADAS
Bioresources Production Manager	Anglian Water
Regional CHP & Bioresources Manager	Anglian Water
Sludge Treatment Manager	Anglian Water
Water Recycling Lean Six Sigma Lead	Anglian Water
Optimisation and Development Scientist	Anglian Water
Recycling & Environmental Compliance Manager	Anglian Water
Service Delivery Scientist	Anglian Water
System planner (Bioresources)	Anglian water
Portfolio Lead: Bioresources	Anglian Water
Bioresources Portfolio Leader	Anglian Water
Optimisation and Development Scientist	Anglian water
Senior Contracts Manager	Anglian Water Services
Optimisation and Development Scientist	Anglian Water Services
Head of Bioresources Treatment	Anglian Water Services
Biosolids Scientist	Anglian Water Services
Technical Manager	Aqua Enviro
Process Technician	Aqua Enviro
Process Scientist	Aqua Enviro
Technical Sales Manager	Aqua Enviro
Senior Anaerobic Digestion Specialist	Aqua Enviro
Commissioning Manager	Aqua Enviro
Process Engineer	Aqua Enviro
Junior Process Engineer	Aqua Enviro
Head of Knowledge Exchange and Innovation	Aqua Enviro
General Manager	Aqua Enviro
Technical Director	Aqua Enviro
Managing Director	Ashleigh Environmental
Wastewater Discipline Lead	Atkins
Principal Mechanical Engineer, Infrastructure	Atkins
Engineer	Ayalon Cities Association
Head of Operations	Birch Solutions (UK) Limited
Sales Process Engineer	Birch Solutions UK Limited
Business Manager - Utilities	Birch Solutions UK Limited
Area Sales Manager	Bucher Unipektin AG
Sales Manager	Bucher Unipektin AG
Area Sales Manager	Bucher Unipektin AG

Head of Water Resilience and Leakage	Business Modelling Associates
Head of Wastewater and Resource Recovery	Business Modelling Associates
Project Development Engineer.	Cambi
Independent Project Management / Engineering of Sustainable Energy Projects	Cambi
Director	Cambi
Project Development Manager	Cambi
Director of Business Unit Europe & MENA	Cambi
R&D Engineer	Cambi
VP Technology & Engineering	Cambi
Services Manager, Optimisation & Upgrade Solutions	Cambi
R&D Manager	Cambi
	Cambi
Services Manager, Advisory and Upgrade Solutions	Cambi Group AS
Principal Technologist	Carollo Engineers
Senior Chemical Engineer & Quality Manager	CCm Technologies Ltd
Engineering Director	Clearfleau Group
Professor of Biotechnology Engineering	Cranfield University
Lecturer in Anaerobic Processes	Cranfield University
Wastewater Science Manager North	DCWW
Process Engineer	DHV MED
Reliagen Holdings	Director
Vice-President of Operations and Chief Operations Officer	Drylet
Agricultural Scientist	Dwr Cymru Welsh Water
Wastewater Sludge Scientist	Dwr Cymru Welsh Water
Process Scientist	Dwr Cymru/Welsh Water
Technical Manager	EcoGenR8 Ltd
CEO	ECOLOTUM energía Recuperable S.L
Product Management	Eliquo Hydrok
	Eliquo Hydrok
Technology Manager - Decentralised Sludge Projects	Eliquo Stulz
Senior Advisor	Environment Agency
Senior Process Engineer	Envirosim Associates
Project Manager	GMB BioEnergie B.V.
Procestecnoloog	GMB BioEnergie B.V.
Engineer	Green Arrow Engineering
Head of Wastewater Department Engineering	GS Inima Environment
Regional Marketing Manager	Hach
UK Municipal Account Manager	Hach
Municipal Account Manager	Hach

Global Key Account Manager	Hach
European Application Development Manager EZ analyzers	Hach
Technical Director	Helix Environmental Consultancy Ltd
Area Manager	Huber Technology
Manager	Indah Water Konsortium Sdn Bhd
Engineer	Jacobs
Principal Engineer	Jacobs
Europe Water Process Lead	Jacobs
Process Engineer, Bioresources	Jacobs
Marketing Manager	Kemira
PHd student	KU Leuven, Division of Soil and Water Management
Associate Professor, Department of Chemical Engineering	Laval University, Canada
Consultant: Process Scientist and Engineer	McAdam Design
Global Director of Commercial & Technical Strategy	Microvi Biotech
Senior Design Manager	Murphy Process Engineering Ltd
Principal Process Design Engineer	MWH Treatment
Process Discipline Lead (ESD, Scotland)	MWH Treatment
Director	Nexus Bioresource
Managing Director	Northey Technologies
Bioresources Manager	Northumbrian Water Ltd
Environmental Market Manager EMEA	NOV Process & Flow Technologies UK Limited
Global Marketing Manager	Novozymes
Sr. Business Development Manager	Novozymes
Scientist	Novozymes (China) Investment Co. Ltd.
Key Account Manager, Water	Novozymes A/S
Business Development Manager	NRM Laboratories
Principal Engineer	OFWAT
Technical Director	Orege
Global Technology & Product Manager	Paques bv
BioEngineering Manager	PM PROJEN
Environmental Manager	Publicacqua Spa
Sales Development Manager	Pumpenfabrik Wangen GmbH
KTP Associate	Queen's University Belfast
Senior Process Engineer	Queensland Urban Utilities
Senior Process Engineer (Water Technologies)	Royal HaskoningDHV
Market Manager (Water)	Royal HaskoningDHV
Director Business Development	Royal HaskoningDHV
Vallei en Veluwe	Royal HaskoningDHV
Product Manager Aquasuite MINE	Royal HaskoningDHV
Director - Water Utilities (UK)	Royal HaskoningDHV
Account Manager Nereda NL	Royal HaskoningDHV

Senior Consultant Water, Sludge Management and Resources	Royal HaskoningDHV
Product Manager Aquasuite® MINE	Royal HaskoningDHV
Engineer	Scottish Water
Process Scientist	Scottish Water
Wastewater Strategy & Environmental Regulation	Scottish Water
Operations Support	Scottish Water
Technical Lead	Scottish Water
Technical Specialist (Waste Management)	Scottish Water
Technical Lead	Scottish Water
Head of Research & Innovation	Scottish Water
Environment Program Manager, Research & Innovation, Business Excellence	Scottish Water
Engineer	Scottish Water
Managing Director	SEEPEX UK Ltd
Sales Manager	SEEPEX UK Ltd
Northern Area Manager	SEEPEX UK Ltd
Managing Director	SEEPEX UK Ltd
Process Engineer	Severn Trent
Process Engineer	Severn Trent
Process Optimisation Manager	Severn Trent
head of Bioresources	Severn Trent
Biosolids Analyst	Severn Trent Water
Bioresources Strategy Lead	Severn Trent Water
Senior Process Design Engineer	Severn Trent Water
Principal Environmental Scientist	Siltbuster Limited
Environmental Scientist	Siltbuster Limited
Account Manager	SNF (UK) Limited
Application specialist	SNF (UK) Ltd
Senior Research and Planning Scientist	South East Water
Waste Water Regulations Manager	South West Water
Wastewater Process Consultant	South West Water
Biosolids Compliance Scientist	Southern Water
Contract Performance Analyst	Southern Water
Waste Recycling Logistics Coordinator	Southern Water
Programme Design Manager	Southern Water
Senior Scientific Officer	Southern Water
Asset Planner	Southern Water
Project Design Lead	Southern Water
Bioresource programme manager	Southern Water
Programme Sponsor - Bioresources	Southern Water Services
Asset optimisation manager	Southern Wster
BD Manager	SUEZ
Process Design Engineer	Suez Treatment Infrastructure
Process Design Engineer	Suez Treatment Infrastructure
Project Manager	Sweco Nederland B.V.
	Tarnowskich Wodociągów
	Tarnowskie Wodociągi Spółka z o.o.
Founder	teCH4+

Graduate Process Engineer	Thames Water
Principal Process Scientist	Thames Water
Process Engineer	Thames Water
Data Scientist	Thames Water
Senior Engineer	Thames Water
Process Engineer	Thames Water
Process Engineer	Thames Water
Process Improvement Engineer	Thames Water
Process Improvement Engineer	Thames Water
Manager	Thames Water
Process Engineer	Thames Water
Principala Process Engineer	Thames Water
Process Engineer	Thames Water
Senior Process Expert Biosolids	Thames Water
Process Scientist	Thames water
Energy Reporting & Regulation Manager	Thames Water
Senior Engineer (Process)	Thames Water Utilities
Process Engineer	Thames Water Utilities
Bioresources strategy manager	Thames Water Utilities
Doctoral Practitioner	Thames Water Utilities Ltd
EngD Research Engineer	Thames Water Utilities Ltd
Technical Lead - Biosolids	Thames Water Utilities, Operational excellence department
Engineering Manager	Trant Engineering Ltd
Process Engineer	Trant Engineering Ltd
Process Engineer	Trant Engineering Ltd
PhD Student	UCT Prague
Senior Process Engineer	United Utilities
Graduate Process Engineer	United Utilities
Strategy Development Manager (Sludge)	United Utilities
Production Engineer	United Utilities
Process Engineer	United Utilities
Bioresources Business Analyst	United Utilities
Process Engineer	United Utilities
Head of Strategy and Commercial	United Utilities
Systems Planning Manager	United Utilities
Chief Technologist	United Utilities
Production Engineer	United Utilities
Head of Bioresources Strategy	United Utilities
Senior Renewable Energy Analyst	United Utilities Water
Researcher	Universidad Nacional de Colombia
Professor, Environmental Science	University of Arizona
Associate Professor of Pharmacology and Toxicology	University of Louisville, USA
Senior Process Engineer	Urban Utilities
Senior Process Scientist	UU
Process Engineer	Veolia
Principal Mechanical Engineer	Veolia Water Ireland Ltd
Principal Mechanical Engineer	Veolia Water Ireland Ltd

International Business Development Manager, Biosolids Group	Veolia Water Technologies
Chief Engineer, Biosolids Group	Veolia Water Technologies
Technical Manager: Engineering & Projects	WasteCare Ltd.
Process Technologist	Waterboard Vallei & Veluwe
Technical Director / Head of R&D	Weber Entec GmbH & Co
Technical Manager	Wessex Water
Chemical Engineer	Wessex Water
Senior Process Engineer	Wessex Water
Senior Process Engineer	Wessex Water
Senior Process Engineer	Wessex Water
Technical Manager	Wessex Water
Strategic Planning Engineer	Wessex Water
Graduate Process Engineer	Wessex Water Services
Senior Process Scientist	Wessex Water Services
Lead Scientist	Wessex Water Services
Technical Performance Manager	Yorkshire Water
Technical Specialist	Yorkshire Water
Tehnical Specialist - Sludge Treatment	Yorkshire Water
Bioresources Project Sponsor	Yorkshire Water
Graduate Chemical Engineer	Yorkshire Water
Regional Operations Manager	Yorkshire Water
Senior Compliance Analyst - Waste	Yorkshire Water
Lead Environmental Advisor	Yorkshire Water Services
Recycling Manager	Yorkshire Water Services
