

EUROPEAN BIOSOLIDS & BIORESOURCES CONFERENCE AND EXHIBITION

DRAFT ATTENDEE LIST 16.11.22

**N.B. Please note the columns do NOT correlate*

Job Title	Organisation
Sales Manager	Jacobs
Associate Director	Northumbrian Water
Tactical Planning	Swedish Board of Agriculture
Analyst	Water Research Centre
Graduate Water Process Engineer	University of Bath
CoDirector Water Innovation & Research Centre	Anglian Water
Technical Training & Development Manager	Glan Agua
Innovation Manager	Cranfield University
Senior Lecturer in Bioresources Science & Engineering	Royal HaskoningDHV
Senior Account Manager Aquasuite	Wehrle Environmental
Director of UK Operations	SNF
Technical Support Manager	Nijhuis Saur Industries
Municipal Business Development Manager	TCS Biosciences
Business Manager: Food, Beverage & Industrial	Anglian Water Services
Head of Circular Economy	Hach
Municipal Sales Consultant	Cambi
Senior Researcher	Severn Trent Green Power
Strategic Business Development Manager	MMB
Process Engineer	Stoic Options
Consultant	United Utilities
Head of Bioresource Strategy	Aqua Enviro
Assistant Project Manager	Binnies UK
Technical Director: Process Engineering	Mott MacDonald
Technical Director: Wastewater Process Emissions	United Utilities
Production Engineer (Bioresources)	University of Southampton
EB Network Co-manager	University of Padova
Associate Professor	Birch Solutions
Head of Sales	Iota
Technical Director	Hach
Principal Sales Consultant	Severn Trent Water
Bioresources Strategy Manager	University of York
Professor	GEA Mechanical Equipment UK
Business Manager	GEA Mechanical Equipment UK
Business Manager	United Utilities
Bioresource Strategy Analyst	Southern Water
Technical Improvements Manager	Anglian Water
System Planner	SUEZ
Process Design Engineer	WSP
Process Engineer	Eliquo Hydrok
Marketing Manager	Northumbrian Water

Bioresources Technician	WGM
Director	Veolia
Ingénieur Procédé	Aqua Enviro
Technical Specialist	Hach
Industrial Sales Consultant	Aqua Enviro
Process Commissioning Manager	TCS Biosciences
Business Development Executive	United Utilities
Sludge Process Specialist	GEA Mechanical Equipment UK
Product Manager	Dwr Cymru Welsh Water
Sludge Scientist	Re-cord
R&D Engineer	Eliquo
Product Manager	South West Water
Director of Bio-Resources	Aqua Enviro
Technical Project Manager	Scottish Water
Bioresource Strategy Team Leader	Hach
UK Municipal Sales Manage	Atkins
Associate, Asset Management	Northumbrian Water
Technical Policy Manager Wastewater	Royal HaskoningDHV
Senior Account Manager Aquasuite	Vandcenter Syd A/S
Process Consultant	Hiller GmbH
Process Design Manager	Severn Trent Water
Bioresources Strategy & Commercial Manager	KPMG UK
Associate Director	AFECO
Technical Director	Cambi Services
Managing Director	University of South-Eastern Norway / VOW ASA
PhD Candidate	Aqua Enviro
Process Engineer	University of York
Senior Post Doctoral Researcher	GEA Mechanical Equipment UK
Process Engineer	HUBER Technology
Area Manager	Thames Water
Senior Consultant Biosolids	Imperial College, London
Senior Research Fellow	Scottish Water
Operations Manager	United Utilities
Senior Process Engineer	Severn Trent Water
Head of Bioresources	Mott Macdonald
Process Engineer	Aqua Enviro
Assistant Project Manager	Global Water Intelligence
Research Trainee	Norwegian University of Life Sciences (NMBU)
PhD student	United Utilities
Recycling Manager	Orege
CEO	Aktor SA.Avax SA - ERGOTEM SA
Process Engineer	Business Modelling Associates
Head of Wastewater	Orege UK
Business Development Director	Scottish Water
Programme Manager	Orege
CFO	Marches Biogas
Process Engineer	Anglian Water
Bioresources Scientist	Biogen UK
Research & Biology Manager	Wessex Water
Head of Sustainability & Innovation	SUEZ

EUROPEAN BIOSOLIDS & BIORESOURCES CONFERENCE AND EXHIBITION

22 - 23 November 2022 Hilton Birmingham Metropole / Online

www.european-biosolids.com | [#biosolidsconference](https://twitter.com/biosolidsconference)

Process Design Engineer	Veolia
Senior Process Engineer	Idexx
Marketing & Strategic Initiatives Manager	Thames Water
Bioresources Strategy Manager	United Utilities
Lead Analyst Bioresource	Air Liquide
AD Expert	Idexx
Associate Director, EMEA	Southern Water
Growth & Strategy Lead (Bioresources)	HUBER Technology
Area Manager	SNF
Account Manager	South West Water
Biosolids Technician	Cranfield University
Student	South West Water
Waste Water & Biosolids Asset Manager	Version1
Executive Consultant	Dwr Cymru Welsh Water
Head of Bioresources	South West Water
Regional Sludge & Bioresources Manager	United Utilities
Bioresource Production Planning Manager	United Utilities
Bioresource Strategy Development Manager	Bucher Unipektin
Area Sales Manager	MSE Hiller
Sales Manager	AQUALIA
Project Manager	Anglian Water
Innovation Technologist	University of Chemistry & Technology, Prague
Professor	Stantec
Senior Process Engineer	VOW ASA
Senior Commercial Developer	Veas
Development Engineer	Nijhuis Saur Industries
Head of Innovation & Sustainability	Yorkshire Water
Biosolids Operations Manager	JB Barry & Partners
Associate Director	Scottish Water
Circular Economy Lead	SUEZ
Solutions Architect / Business Development	Marches Biogas
Director	Galliford Try
Senior Process Engineer	HUBER SE
Regional Manager	Mott Macdonald Bentley
Graduate Process Engineer	Veolia
Graduate Trainee: Process Engineer	Ostara Nutrient Recovery Technologies
Vice President, Nutrient Recovery Solutions	Irish Water
Wastewater & Sludge Asset Planning Specialist	Jacobs
Head of Carbon & Circular Economy: Water Europe	Southern Water
Biosolids Quality Compliance Scientist	QCL
National Water Industry Account Manager	Atkins
Global Bioresources Director	Royal HaskoningDHV
Director Water Utilities UK	MWH Treatment
Principal Process Engineer	Scottish Water

Programme Manager	Cambi
CTO	Wessex Water
Area Scientist	Northumbrian Water
Bioresources Manager	Wessex Water
Design Manager	Birch Solutions
Sales Manager	Scottish Water
Environmental Regulation Tech Lead	LiveLab
Managing Director	Stantec
Director: Thermal Power	Agrivert
Chief Executive	Scottish Water
Wastewater Service Strategy & Environmental Regulation	Marches Biogas
Biological Manager	Evergreen Water Solutions
Managing Director	Swedish Board of Agriculture
Analyst	Yorkshire Water
Bioresources Contract Manager	Southern Water
Biosolids Quality Compliance Scientist	Southern Water
Senior Innovation Project Manager	JB Barry & Partners
Senior Engineer	Northern Ireland Water
Wastewater Efficiency and Innovation Manager	Mott Macdonald
Technical Director	Jacobs
Bioresources Process Engineer	Alps Ecoscience
Technical Director	Royal HaskoningDHV
Global Sales Director Aquasuite	Stantec
Senior Technical Specialist	Mott MacDonald
Technical Director: Water & Wastewater Treatment	Aqua Enviro
SES UK Asset Performance & Digital Operations VP	Bucher Unipektin
Area Sales Manager	Birch Solutions
AD Business Development Manager	Aqua Enviro
Process Engineer	HUBER Technology
Managing Director	Scottish Water
Strategic Planner: Waste Water	Southern Water
Biosolids Compliance Manager	UK Water
Founding Director	Clinty Chemicals
Technical Manager	VOW ASA
VP Business Development	Global Water Intelligence (GWI)
Europe Analyst	Mott MacDonald
Technical Director	Cambi
Process Engineer	Scanship AS
VP Innovation	Aktor SA.Avax SA - ERGOTEM SA
Project Manager	Eliquo Hydrok
Managing Director	HUBER Technology
Sales Director	Vitens NV
Business Development Manager	Royal HaskoningDHV
Regional Director, EMEA Water P & I	Cambi
Consultant	Mott Macdonald
Process Engineer	AquaGreen Aps
Business Development Manager	Business Modelling Associates
Chief Operating Officer	University of Arizona
Regents Professor	Aqua Enviro
Technical Sales Manager	Agrivert

EUROPEAN BIOSOLIDS & BIORESOURCES CONFERENCE AND EXHIBITION

22 - 23 November 2022 Hilton Birmingham Metropole / Online

www.european-biosolids.com | [#biosolidsconference](https://twitter.com/biosolidsconference)

Business Development Manager	Atkins
Asset Management Consultant	Business Modelling Associates UK
Senior Consultant	Water Research Centre
Graduate Water Process Engineer	Marches Biogas
Director	Wessex Water
Senior Process Engineer	Grieve Strategic
Commercial Manager	RMIT University
Student	VOW ASA
Chairman	Anglian Water
Bio Resource Portfolio Lead	WGM
Business Development Manager	MWH Treatment
Principal Process Engineer	Bioresen
Director	Orege
Business Co-ordinator	MMB
Principal Process Engineer	Cambi
Project Development Engineer	Orege UK
Technical & Sales Director	Cambi
Marketing Manager	Re-cord
Head of Unit	University of Applied Sciences KAMK
Researcher	SUEZ
Technical Sales Executive	Águas do Tejo Atlântico
Wastewater Treatment Senior Technician	Scottish Water
Intervention Co-ordinator: WW RLP Intervention Team	National Farmers Union
Chief Advisor, Renewable Energy & Climate Change	CIWEM
Director of Innovation & Delivery	Aqua Enviro
Technical Specialist	University of Exeter
Associate Research Fellow	Aqua Enviro
Technical Director	LiveLab
Analytical Chemist	Pražské vodovody a kanalizace
Manager of Process Dept.	Yorkshire Water
Biosolids Transport Manager	United Utilities
System Operations Manager	Atkins
Director: Bioresources	Atkins
Bioresources Associate	South East Water
Principal Scientist: Soil, Groundwater & Biosolids	Aqua Enviro
Process Sampling Technician	Scanship AS
Process Development Scientist	Cambi
R&D Engineer	Northumbrian Water
Bioresources Technician	JB Barry & Partners
Design Engineer	Atkins
Bioresources Associate	Assured Biosolids
Biosolids Assurance Scheme Technical Director	Yorkshire Water
Technical Specialist	Alps Ecoscience

Senior AD Engineer	MSE Hiller
Director	AFECO
Technical Manager	HUBER Technology
Operations & Engineering Director	Global Water Intelligence (GWI)
Research Lead: Technology	Aqua Enviro
Process Scientist	Aqua Enviro
Head of Knowledge Exchange & Innovation	VOW ASA
Strategy	Royal HaskoningDHV
Director Sales BioResources	Independent
Retiree	Galliford Try
Process Engineer	Severn Trent Water
Carbon & Circular Economy Architect	Cranfield University
PhD Student	Université Laval
Associate Professor	Southern Water
Senior Process Engineer	Ofwat
Senior Associate	Águas do Tejo Atlântico
Responsável	Bioforcetech Corporation
COO	Royal HaskoningDHV
Market Manager	Aqua Consultants
Technical Project Manager	Pyreg UK
Consultant	Severn Trent Water
Process Optimisation Lead	CirTech BV
Managing Director	Atkins
Bioresources Associate Director	Ofwat
Principal	AquaGreen Aps
Chief Marketing Officer	Volac International
Wastewater Treatment Manager	Royal HaskoningDHV
Strategic Board Director	HUBER Technology
Area Manager	Eliquo Hydrok
Area Manager	Atkins
Bioresources Process Specialist	Wessex Water
Principal Process Planning Engineer	Royal HaskoningDHV
Business Development Manager: Aquasuite	Wessex Water
Principal Planning Engineer	Southern Water
Bio Recycling Manager	rhames
Director	GHD
Principal Process Engineer	Aktor SA.Avax SA - ERGOTEM SA
Chemical Engineer	Hiller GmbH
