JOB TITLE

Municipal Projects Manager
Account Manager
Associate Director
New Business Development Manager
Reg Bioresource Production Planning Mgr
Vice President
CoDirector Water Innovation & Research Centre
UK Managing Director
Technical Director
Innovation Manager
Senior Lecturer: Bioresources Science & Engineering
Account Manager
Lead Process Engineer
Technical Director
Sales Manager
Sales Manager
Team Manager
Area Scientist
Value Delivery Consultant
R&D Director
Sales Engineer
Head of Circular Economy
Chief Process Engineer
Municipal Account Manager NE
Technical Sales Engineer
Managing Director
Senior Consultant
R&D Engineer
Senior R&D Engineer
Senior Contracts Manager

PhD Student

Head of Bioresource Strategy
Bioresources Process Scientist
Product Manager Carbon Capture
Managing Member

AtkinsRéalis
AtkinsRéalis
AtkinsRéalis

Technical Director	AtkinsRéalis
Technical Director: Process Engineering	AtkinsRéalis
Biosolids Resource Recovery & Strategy	AtkinsRéalis
Technical Director: Wastewater Process Emissions	AtkinsRéalis
Managing Director	AtkinsRéalis
Operational Strategy Manager	AtkinsRéalis
Research and Development Technician	B9 Energy Control
Research and Development Junior Technician	Binnies UK
Managing Director	Biogen UL
PhD Student	Bioresen
Associate Professor	Birch Solutions
Lead Scientist	Birch Solutions
Managing Director	BMA
	BMA
Head of Sales	BMA
Senior Project Manager	BMA
Research Chemist	BMA
Business Manager	Bucher Unipektin AG
Bioresources Production Manager	Bucher Unipektin AG
Strategy Analyst	Cambi
System Planner	Cambi
Marketing Manager	Cambi
Managing Director	Cambi
Head of Waste Strategy	Cambi
Bioresources Operational Lead	Cambi
Senior Engineer	Cambi
Business Support Team Manager	Cambi
Technical Specialist	Cambi
Innovation Technical Expert	Cambi
Bioresources Strategy	Cambi
Wastewater Sludge Scientist	Cambi
Waste Water Regulatory Advisor	Cambi
PhD Candidate	Cambi
Product Manager	CDM Smith
Senior Researcher	CIWEM
Process Scientist	Cranfield University
Bioresources Technical Policy Manager	Cranfield University
Technical & Compliance Manager	Cranfield University
Process Consultant	Dikubu Water Solutions
Bioresources Process Scientist	Dwr Cymru Welsh Water
Process Technologist	Dwr Cymru Welsh Water
Process Manager	Dwr Cymru Welsh Water
Bioresources Strategy & Commercial Mgr	ELIQUO HYDROK
Associate Director	ELIQUO HYDROK
Product Owner	ELIQUO HYDROK
Managing Director: Cambi Services	ELIQUO HYDROK
Technical Advisor	ELIQUO HYDROK
Bioresources Delivery Support Manager	ELIQUO TECHNOLOGIES GmbH
PhD Candidate	Enpure
Senior Process Engineer	Environment Agency
Process Engineer	Environment Agency
Business Development Manager	Environmental Research Institute, UHI
CEO	Esmil Process Systems

Operations Manager	Euroby
Director of Design & Contracts' Support	Evergreen Water Solutions
Senior Consultant Biosolids	Evergreen Water Solutions
Wastewater Regulatory Scientist	Fidra
Operations Manager	Galliford Try
Senior Process Engineer	GEA Mechanical Equipment UK
Head of Application Technology	GEA Mechanical Equipment UK
Project Manager	GEA Mechanical Equipment UK
Senior Research Associate	GEA Mechanical Equipment UK
Agricultural Services Manager	Glan Agua
Managing Director	Green Fuels Research
Head of Wastewater & Resource Recovery	Green Fuels Research
Business Development Manager	Grieve Strategic
Head of Environmental Strategy	Grieve Strategic
R&I Programme Manager	GS INIMA ENVIRONMENT
CFO	GS INIMA ENVIRONMENT
Process Engineer	Hach
Process Engineer	Hach
Bioresources Scientist	Hach
Research & Biology Manager	HaskoningDHV UK
Biosolids Assurance Scheme Director	HaskoningDHV UK
Process Design Manager	HaskoningDHV UK
Technical Manager	HaskoningDHV UK
Lead Analyst	HaskoningDHV UK
Director	HDSR
Marketing Co Ordinator	HoSt Holding
UK Sales Manager	HoSt Holding
Area Manager – Scotland & Northwest England	HUBER SE
Business Development Manager	HUBER Technology
PhD student	HUBER Technology
PhD student	HUBER Technology
Development Engineer	HUBER Technology
Head of Bioresources	HUBER Technology
Regional Sludge & Bioresources Manager	HUBER Technology
Bioresource Strategy Manager	HUBER Technology
Senior Advisor	Independent
Sales Manager	Ingenio La Union
Innovation Technologist	IQ Energy Australia
Manager R&D	IQ Energy Australia
Senior Process Engineer: Bioresources	Isle Utilities
Chemical Engineer	Jacobs
Director of Global Project and Process Execution	Jacobs
Principal Process Engineer	Jacobs
Northern Area Manager	Jacobs UK
Associate	Jacobs UK
Environment Program Manager	Jacobs UK
Technical Sales Executive	Kemira
Innovation Programme Manager	Kemira
General Manager	KPMG UK
Senior Project Engineer	Lancaster University
Sales Director: Emerging Markets	Laval University
Global Marketing Director	Linköping University
Corporate Development Executive	Marches Biogas

Senior Process Engineer	Marches Biogas
Academic	METAWATER Co
Biosolids Quality Compliance Scientist	Mitsubishi Chemical Methacrylates
	Morgan Sindall Construction & Infrastructure
Head of Carbon & Circular Economy	Mott MacDonald
Waste Compliance Scientist	Mott MacDonald
Global Bioresources Director	Mott MacDonald
Director Water Utilities (UK)	Mott MacDonald
R&D Project Manager	Mott MacDonald
Technical Director	Mott MacDonald
Principal Process Engineer	Mott MacDonald Ireland
UK Sales Manager I&W	MSE Hiller
Engineer	MSE Hiller
Project Developer	MSE Hiller
Chief Technical Officer	MSE Hiller
Research Director	MWH Treatment
Area Scientist	Nature Energy
Bioresources Manager	Nature Energy
Sales Manager	Newcastle University
Specialist Graduate	Newcastle University
Content writer	Nijhuis Saur Industries
Head of Water Recycling: Bioresources	Nijhuis Saur Industries
Bioresources Process Specialist	Northumbrian Water
Business Development Manager	Northumbrian Water
Key Accounts Manager: UK, Ireland & Spain	Northumbrian Water
Bioresource Strategic Planner	Northumbrian Water
Process Engineer	Northumbrian Water
Biological Manager	Northumbrian Water
Director	Norwaste
Senior Associate: Waste & Resource Management	Ofwat
Biosolids Quality Compliance Scientist	Ofwat
Sales Manager	OMEX Environmental
Laboratory Technician	OMEX Environmental
Senior Innovation Project Manager	Orege Europe
Technical Manager	Orege UK
Team Manager	Orege UK
Intervention Manager	Orege UK
Associate Director	Orege UK
Process Engineer	Orege UK
Northumbrian Water Commercial Contracts Manager	Prazske Vodovody a Kanalizace
Development Director: France & Italy	RE-CORD
COO	RE-CORD
Wastewater & Bioresources Efficiency Manager	Roslagsvatten
Area Sales Manager	Royal HaskoningDHV
Process Scientist	Royal HaskoningDHV
Bioresource Analyst	Royal HaskoningDHV
Managing Director	Royal HaskoningDHV
Technical Representative	RSE
Biosolids Compliance Manager	Scottish Water
Innovation Consultant	Scottish Water
Municipal Process Sales Consultant	Scottish Water
Chief Engineer Integrated Solution	Scottish Water
Technical Director	Scottish Water

Postdoctoral researcher	Scottish Water
Project Manager	Scottish Water
Upgrade Manager	Scottish Water
Environmental Engineer, Sewerage & WWTPs	Scottish Water
VP Innovation	Scottish Water
Sales Administrator	Scottish Water
CEO	Scottish Water
Sales Director	Scottish Water
Regional Director, BioResources	Scottish Water
Senior Associate	Scottish Water
Chemist	Scottish Water
Consultant	SEEPEX UK
Water Technologist: Research Fellow	SEM Energy
Vice President, Senior Fellow	SEM Energy
Team Manager	Severn Trent
Vice President, Process Technical Lead	Severn Trent
Regents Professor	Severn Trent Water
Chair of Circular Chemical Engineering	Severn Trent Water
Associate: Wastewater & Bioresources Lead	Severn Trent Water
Technical Sales Manager	Severn Trent Water
Business Development Manager	Skanska Construction
Bioresources Consultant	SNF
Innovation Technical Expert	SNF
Technical Lead	Solenis
Senior Consultant	Solenis
Process Scientist Apprentice	South West Water
Technical Sales Manager	Southern Water
Commercial Manager	Southern Water
Chief Engineer	Southern Water
General Manager Net Zero	Southern Water
Solutions Development Manager	Southern Water
Senior Process Scientist	Southern Water
Portfolio Lead Bioresources	Southern Water
Sales Director - EMENA	Southern Water
Reader in Environmental Systems Engineering	Stantec UK
Technical Specialist	States of Jersey
Business Development Manager	SUEZ Aqua Enviro
Director	SUEZ E&C
Technical Support Manager	Swinkels Family Brewers
Business Development Manager: UK & Ireland	Technology Innovation Institute (TII)
Technical & Sales Director	Thames Water
Technical Marketing Manager	Thermal Process Systems
Senior Process Engineer	United Utilities
R&D - Researcher	United Utilities
Wastewater Treatment, Recycling and Advanced Sludge Treatment Specialist	United Utilities
Bioresource Planning Team Leader	United Utilities
Director of Innovation and Delivery	United Utilities
Technical Specialist	United Utilities
Process Development Manager	United Utilities
Managing Director	United Utilities
Solutions Engineer	United Utilities
Technical Director	Universidad de La Frontera, Chile.

Professor of Biotechnology Engineering	Université Laval
Manager: Process Engineering	University of Arizona
Systems Operations Manager	University of Bath
Associate Director: Bioresources	University of Galway
Head of Service Sales	University of Leeds
Chairman	University of New South Wales
Technical Director: Bioresources	VANDENBERGHUK
Graduate Chemical Engineer	VCS Denmark
Bioresources Regulations Specialist	VCS Denmark
Asset Management Associate	Veas Selvkost AS
Commercial Director	Veolia
Technical Specialist	Veolia Water Outsourcing
Industrial Sales Manager	Vow ASA
Director	Vow ASA
Engineering & Operations Director	Water UK
Digital Product Specialist	WCS Environmental Engineering
Associate Director	Weglostal
Director Sales BioResources	Wessex Water
Process Engineer	Wessex Water
Technical Director Biosolids	Wessex Water
Associate Professor	Wessex Water
Senior Associate	Wessex Water
Technical Director	Wessex Water
CEO	Wessex Water
Director of Water Transformation,	Wessex Water
Research & Innovation Manager	Wessex Water
Technical Manager	Wessex Water
Associate Director (Bioresources)	Wessex Water
Manager-Compost and Ops	Wessex Water
CMO	Wessex Water
Regional Sales Manager	Wessex Water Services
Business Development Director	WEW Engineering
Sludge Technologies Product Manager	WGM Engineering
Senior Bioresources Process Specialist	Wolf Systems Construction
Manager Business Development	WSP
Principal Process Planning Engineer	WSP
UK Senior Business Development Manager	Xylem Water Solutions
Bioprocess Engineer	Yara
Operations Director	Yorkshire Water
PhD Student	Yorkshire Water
